BARBARIANS IN BLACK (2017/2018)

Band formed in 2014 in São Paulo. It has already played in the Brazilian main capitals, and supported bands as Megadeth, Symphony X, Rhapsody, Tarja, Marillion, Offspring and Sabaton, besides touring in Europe in January 2017 with Fates Warning, playing in the main cities of Germany, the Netherlands, Czech Republic, Hungary and Slovakia.

Armored Dawn was the only Brazilian band to play on Motorboat (Motorhead's Cruise) in 2016 in Miami.

"Power of Warrior" was recorded in Denmark, produced by Tommy Hansen (Helloween, Jorn) and mixed by Peter Tägtgren (Hypocrisy, Amon Amarth, Children of Bodom). The album was released in the U.S. with disclosure by Concrete Marketing (Five Finger Death Punch).

The main specialized magazines in Europe, Japan and the U.S. have published some articles about the band and all these editions had a promo CD with it.

"The Epicness of Iron Maiden in Brazilian Fashion" - Revolver Magazine (EUA)

"It's more than just a sample of a great heavy band, It's a statement of intentions from a group that is here to conquer followers" - SOUNDI (Finland)

At the end of 2016, Armored Dawn shot its new video "Viking Soul" in Yosemite/California (with more than 250k views) and had a photo session with Anna Di Santo (Scorpions, Slayer, Slipknot).

"Barbarian in Black", is the new album, produced by Kato Khandwala (Pretty Reckless, Papa Roach) and Bruno Agra (We are Harlot). The epic vídeo for the first single "Sail Away", had more than 100.000 views in the first week.
